a corporation duly licensed and authorized to transact business in the State of Wisconsin, are held and firmly bound to the Wisconsin Department of Revenue in the sum of \$_____ for which payment we bind ourselves and our respective heirs, personal representatives, successors and assigns, jointly and severally.

The condition of this obligation is such, that the principal has made application for a permit to engage in business as a seller of tobacco products, or is presently permitted, according to the provisions of Chapter 139, Wisconsin Statutes, and a demand has been made upon the principal by the Wisconsin Department of Revenue for security for payment of tobacco products taxes.

The principal shall fully comply with all provisions of Chapter 139 and pay all taxes, interest and penalties promptly when due, including both taxes, interest and penalties now due and those which may become due, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

If the principal is delinquent in the payment of tobacco product taxes under Chapter 139, the Wisconsin Department of Revenue may, upon ten (10) days notice, recover the taxes, interest, and penalties from the surety. The surety reserves the right to withdraw as such surety, except for any liability already incurred or accrued, and may do so upon giving written notice of such withdrawal to the Wisconsin Department of Revenue; provided, that no withdrawal shall be effective for any purpose until sixty (60) days have elapsed from and after the receipt of such notice by the Wisconsin Department of Revenue; and further provided that no withdrawal shall in any way affect the liability of the surety arising out of any taxes incurred under the provisions of Chapter 139, Subchapter I, Wisconsin Statutes, made by the principal prior to the expiration of the sixty (60) days, regardless of whether or not an assessment for tax due has been levied before the lapse of the sixty (60) days.
